AWARD: The award, available for \$7.00 including IVV Credit, is a four-inch fully embroidered patch of two magnificent structures located in Copley Square—the Hancock Tower and Trinity Church. The tallest building in New England, the John Hancock Tower is a prominent feature in the Boston skyline, and when you are close to the building, its glass skin reflects the surrounding historical buildings with subtle distortions of color and shape. Founded in 1773, the historic Trinity Church is a masterpiece of American architecture. Inside are some of the nation's greatest works of mural and stained-glass art available for you to experience.

**TRAIL DESCRIPTIONS:**

Boston, known as "America's Walking City," is steeped in history and tradition. The trails follow downtown city streets and walkways, exploring a plethora of historic sites, monuments, museums, and landmarks.

1. The 11km **Freedom Trail (FT)** walk includes Boston Common, set off for common use in 1634; Paul Revere's home, oldest in Boston (1680); King's Chapel, site of the first Anglican Church in New England (1686); the Old State House (1713); Faneuil Hall, the site of political debates for over 2 centuries; Old North Church, where lanterns warned of the British march on Concord; Bunker Hill Monument, site of the 1775 battle; the Granary Burying Ground, where Samuel Adams, John Hancock, and Mother Goose are buried; the State House built in 1798; the USS Constitution, the oldest commissioned ship in the US Navy (1787); Saint-Gaudens' tribute to the Civil War's first black regiment; the waterfront; and downtown shopping areas.

The 6km Freedom Trail route concentrates on the sites and events in the central Boston area including a portion of the Rose Kennedy Greenway.

FREEDOM TRAIL RATING: Both walk routes have an AVA rating of 1B, **difficult for strollers and wheelchairs.**

2. The 10km and 5km **Back Bay (BB)** walks focus on the charming Beacon Hill residential district; the center mall of Commonwealth Avenue, considered one of the world's greatest streets because of its architecture and statues; the sidewalk cafes of Newbury Street; Copley Square; the John Hancock Observatory; the Public Garden and its famous Swan Boats and "Make Way for Ducklings" sculpture; the reflecting pool of the Christian Science Center; and "Cheers" pub. The route also passes the finish line of the Boston Marathon. A portion of the walk is inside elegant Copley Place and the Prudential Center, where Tiffany's, Neiman Marcus, and Saks Fifth Avenue set the tone.

The 10km Back Bay route continues past Symphony Hall, the Museum of Fine Arts, and the Muddy River.

BACK BAY RATING: Both walk routes have an AVA rating of 1A, suitable for strollers and wheelchairs.
