TRAIL DESCRIPTIONS: Both the 5km and 10km routes explore the lovely town of Greenfield. Stroll down Main Street where Wilson's, an old-fashioned department store, still flourishes. Restaurants, cute shops, a town triangle, and Farmers' Market on Saturday mornings from May to October on town square. Several views of Poet's Seat Tower along the route may inspire you to drive out after finishing the walk. The 10km route also goes through a park and offers a diverse look at housing in a historic manufacturing town. Leashed pets are welcome on the trail, which is mostly on sidewalks. There are a few places that require walking along the side of the road.
