TRAIL DESCRIPTIONS: Explore Providence's 375+ years of vibrant history through carefully restored neighborhoods, a revitalized downtown, and tree-lined cobblestone walkways.

The 11km route is comprised of both loops as described below.

The 6km **College Hill Loop** travels down Benefit Street, a "mile of history" with an impressive concentration of original, privately owned colonial homes; Brown University, the 7th oldest Ivy League University in the nation; and Prospect Terrace, a photographer's delight with a breathtaking panorama of the city and countryside beyond.

The 5km **Historic Downtown Loop** explores Providence's architecture and passes by many buildings listed on the National Register of Historic Places, including the Arcade, the oldest indoor mall in the country, the old Custom House, Grace Episcopal Church, and Providence City Hall. It also visits the Roger Williams National Memorial, the site of the original Providence settlement in 1636; Waterplace Park, a 4-acre urban park surrounding a tidal basin featuring landscaped terraces and walkways; Providence Performing Arts Center (PPAC); and the Rhode Island State House, considered one of the most beautiful capitols in America.

AWARD: The "A" award, available for \$4.00, is a fully embroidered patch depicting the Rhode Island State House as it sits above the city. *To purchase an award when using OSB, please send a SASE with check payable to Walk 'n Mass for \$4.00 to Ann Plichta (address in OSB packet or at right).*

RATING: With some cobblestone walkways, short hills and stairs, the AVA rating of both walk routes is 2B, **difficult for strollers and not suitable for wheelchairs.**

AVA SPECIAL PROGRAMS: Anniversaries Hurrah, Par for the Course, Step to the Beat, State Capital, Walking with America's Veterans, and Washington-Rochambeau National Historic Trail
